

### **Circular: CBSE launched VIDYADAAN on DIKSHA APP & Khan Academy App**

Dear Parents,

We are pleased to inform that CBSE along with NCERT has launched a new platform called Vidya-Daan. This platform has been created with a vision to provide teachers and students multiple types of resources to aid them in teaching and learning. The platform contains content for NCERT books for resources such as video lectures, Content, Experiential Content, Questions Bank, etc. Please view the videos below to learn how to use the platform through DIKSHA app and web.

CBSE <https://diksha.gov.in> . You can also download this app directly from Google Play Store on your smart phone by typing **DIKSHA** in search box. This app will help children to revise the concepts learnt at school. Feel free to explore the app for your ward. This app is absolutely free.

There is another digital platform called **Khan Academy** <https://www.khanacademy.org/signup?isparent=1> that can be used for assessing digital content for Science and Mathematics subjects for various classes. This can be used on Desktop as well as app. App is available on Google play Store. You can type **Khan Academy** in play store search box and download the app.
