

Circular: Learn at Home

28th March 2020

Dear Parents,

We are thankful to you all for staying at home and being safe. Kindly note that as per the guidelines of Education department (Maha. Govt) and CBSE Grade Nursery to VIII **No Assessment (Annual Examination)** will be conducted under these circumstances and the children will be directly promoted to next class based on their cumulative performance in the entire academic year. The decision regarding the reopening of school for the next academic year 2020-21 will be communicated to you once any directives from Education department (Maha. Govt) and CBSE are received regarding the same.

"School buildings have been shut down due to the Corona virus but learning can continue at home"

We at ARISE care for our students learning even though they are at home, hence we request you to use the following links of apps and websites to utilize this time for better learning and understanding in these days of Corona Virus outbreak. We request you to utilize this once in a life time opportunity to sit with your child to spend quality time by using the digital content compiled from various stake holders.

1. CBSE <https://diksha.gov.in> . You can also download this app directly from Google Play Store on your smart phone by typing **DIKSHA** in search box. This app will help children to revise the concepts learnt at school. Feel free to explore the app for your ward. This app is absolutely free.

2. Khan Academy <https://www.khanacademy.org/signup?isparent=1> that can be used for assessing digital content for Science and Mathematics subjects for various classes. This is can be used on Desktop as well as app. App is available on Google play Store. You can type **Khan Academy** in play store search box and download the app.

4. Pearson Digital Textbooks : (ActiveApp)

As the school is going to use Pearson Publications books for Grade VI to VIII we request you to download the app as per the following instructions. Your child will be able to avail digital textbooks from the app. Once the app is downloaded your child can access different textbooks using the Access Codes given for the textbooks.

The infographic is titled "The Place To Be After School" and "Experience the world class learning at the comfort of your home!". It outlines four steps to download the Active App: 1. Go to the PlayStore (on Android) or AppStore (on iOS) on your device. 2. Search for 'ActiveApp' and download it. 3. Register and create your account as a New User or Sign In as an Existing User. 4. Click on the '+' icon and enter the code as shared by the school OR given on the inner back cover of your textbook. Below the steps, it lists features: Audio, video, Inter-activities, Games, and Animations. It also states the app is available on Google play, iOS, and Windows. A circular seal at the bottom right says "Widely's Learning Company Partnering Since 1998". The contact information at the bottom is "For any query contact: 1800 123 463512 | E-mail: activeteach.support@pearson.com".
